Entry Requirements and Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member in good standing for the membership year 2024
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the prior title level and ORT title (passed all 3 odors) at least 14 days before the trial opens for entries. This applies to all levels.

Qualified entry for NW1 – Dog has not yet earned a NW1 title level.

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above.
- ● Once the trial opens for entry, if you are having technical difficulties entering during the 48 hour draw period, please email trialentry@nacsw.net prior to the end of the draw period. For any other questions that are not related to the trial entry system, contact flyingratdogsports@gmail.com.
- ● No dog will be given a space in more than one trial of the same level and type at a single event.
- ● You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- ● If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements.

Note: dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the handler's responsibility to notify the flyingratdogsports@gmail.com that the requirement has been completed.

- ● If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.
- ● For Exhibit Only Dogs (FEO): See below
- Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.

· The trial host of an event has the right to refuse entry of any handler or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.

- ● Some trial entries may be given priority entry based on contributions to the organization and the trial process.

Location Details

*This location is a children's camp. The parking lot is gravel. The search areas are close to the parking lot however they do require that you are able to navigate uneven grassy or gravel surfaces **Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.***

Modeled after real-life detection work, NACSW events are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Events frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Handlers should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at events. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this event at their own risk.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, the details below may need to be modified at the last minute.

Parking- the parking lot is gravel with partial shade **No RV parking** of participants without prior approval. Contact Flyingratdogsports@gmail.com

Reactive Dog Parking- There will be reactive dog parking at this event for those who wish to park in this area, however the parking is tight and there will not be separate potty areas or warm up boxes

Unentered Dogs-Unentered dogs must remain in the handler's vehicle during the event day. There will be ample potty areas, but unentered dogs should not be allowed to "play", exercise, or train on the event grounds

Dog Information

Dog Policies

- ● All dogs must be on a 6' leash at all times when not searching. NO flexi-leashes while not participating in a competition search.
- ● Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from other dogs.
- ● Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- ● Dogs and handlers must stay in designated areas to avoid contaminating search space, interrupting a search, or from viewing any part of the searching.
- ● Handlers should expect to keep their dogs confined in a crate or vehicle when not searching. The logistics of an event typically do not allow for dogs to hang out on leash in between searches. Handlers should plan to provide their own shade using canopies or shade cloths.

Females in Season

Females in season will be allowed to run wearing "pants" at the end of each search after all other dogs have been judged. Handlers with females in season should park and toilet their dogs away from the other dogs if the location logistics permit. Handlers must email the flyingratdogsports@gmail.com so plans can be made for the dog.

COVID 19- Event attendees are required to adhere to the NACSW [COVID-19 Event Guidelines and Rules](#)

In addition to those guidelines the following changes and guidelines are in effect for this event due to COVID-19:

The handler also agrees to assume all financial liability that may be incurred by the NACSW due to the actions of themselves or their dogs regardless of the cause.

Sportsmanship

Videos may not be made public until completion of the event day.

There is no photography or video allowed by spectators or volunteers. As a condition of your entry, you agree to allow NACSW, or their agents, to video you and your dog during the entirety of the NACSW event. These videos are the property of NACSW. All handlers, through entry at any NACSW event, waive any and all rights relative to video broadcast or photography of such event.
